

The Moulin Hotel, Cottages, Brewery & Inn

WELCOME BACK as hotels & pubs start to re-open, please understand we have just survived one of the hardest professional & personal challenges we have ever faced.

While we're excited to re-open, we're still stressed & finding our feet. We're not through the worst of it yet & we need to do this together.

Please don't complain about changes we have had forced upon us due to lost revenue, government policies & protocols. We don't have the same business we had before, at the moment.

We're doing everything we can to adapt to the new situation, everything is going to be very different for us all.

So please be kind, compassionate & have patience with us as we will with you.
